From: Clif Martin, Chair-Nominations and Election Committee (N&E)

Subject: Election of members to serve on the MARC NAHRO Executive Board

Dear Colleagues:

As you may know, each year five at-large members are elected by the MARC NAHRO membership to serve three-year terms on the region’s Executive Board, the policy-making body of the region. The Executive Board also plans for and is held accountable for activities of the Region. Meetings are held annually via teleconference, at the NAHRO Washington Conference, the region’s annual conference, and the NAHRO National Conference in October. Any “Active” member is eligible to serve on the Executive Board.

The election of Executive Board members is managed by the Nominations and Election Committee (N&E), which is appointed by the Regional President. The N&E will select nominees for the election ballot in accordance with the region’s by-laws.

Members who are interested in serving on the Executive Board should contact N&E Chair Clif Martin at ccmartin@hcaac.org or any member of the N&E before January 10, 2020.

The N&E will advise the membership of nominees whose name will appear on the election ballot by January 15. Additional names will be placed on the election ballot upon the receipt of a valid petition by January 30, as prescribed in the region’s by-laws. The electronic voting will take place in mid-February.

Feel free to direct questions to me or any member of the N&E.
